

After Chat class reflection activity

This 5-minute plenary will help your class reflect on their learning after the Chat. The question prompts are designed to facilitate discussion among your class.

There are 3 sets of questions. Choose the section that you would like to explore: **Careers understanding**, **Communication skills**, or **Geographical knowledge**.

Discussion for all sections	HOW MANY DO?
Do you feel like you had anything in common with any of the geographers?	
Option 1: Careers understanding questions	HOW MANY DO/DID/ARE?
Did you discover a new career using geography that you hadn't heard of before?	
Are you now more interested in a career using geography than before our Chat?	
Do you feel clearer on the qualifications you need to go into a geography-related career?	
If you had to describe one of the geographers' jobs to a friend, how would you?	DISCUSSION ONLY
Option 2: Communication skills questions	HOW MANY DO/DID?
Do you feel more confident asking questions to geographers than you did before our Chat?	
Do you feel that the geographers were interested in your questions?	
Do you feel that you had a conversation with a geographer involving more than 1 question?	
Did you discuss an answer that you received with someone else in the class?	
Would you have asked any of your questions differently? How?	DISCUSSION ONLY
Option 3: Geographical knowledge questions	HOW MANY DO/DID?
Did you learn something that you didn't know before?	
Do you plan to find out more about something that was discussed in the Chat?	
Do you better understand how the learning we do in class connects to how geographers work, than you did before our Chat?	
What surprised you during the Chat?	DISCUSSION ONLY
